Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The books have been written by a diagnosed paranoid schizophrenia written with zeal for self actualisation and a test to awareness of his inner self, consciousness and may be sum up on what this world we dwell in, in view of pain and suffering. What he feels are the issues related to his mental health and much more such as his beliefs paradigms of what brought suffering into the world. Are the gods or deities to be blame because of suffering should he blame God for allowing suffering in this world? He has partly written his books based on consistency and inconsistency of a child born premature. What sensitive, mysterious or enigmatic repercussions of being a premature child the consequence of its relation to science of medicine, modern-day technology, and ways of life from different perspectives. His books implies effigies of what dense molecular structures could stamina, equal, or have the same interplay to the molecular structure as, that of superman, a crucifix or juju? Implying I am superman might mean as Orunmila I had picked something up...
