Anthony Marino is known throughout the justice system as Judge Justice. His reputation is that of a firm but fair arbiter of facts, with a no-nonsense approach in his courtroom. His only concern is justice being served, but the system is imperfect, and criminals undoubtedly fall through the cracks. It is in these cracks and shadows that the Judge spends his evenings, tracking down those that slipped through the fingers of the system and bringing them to the justice they deserve. In this first installment of the Judge Justice story, Marino and a few trusty allies plan to punish a truly despicable criminal but, as is common in any military-style mission, the plan hits more than one speed bump. An ex-military single father moonlighting as a vigilante, Marino struggles to find balance between his job, his calling as a bringer of justice, and the one thing that he knows is most important: family. This item ships from La Vergne, TN. Paperback.
