She then watches as her mother spirals out of control as she chases her crack demons. Forced to grow up fast and take reigns of the household and younger siblings to try and keep them out the Foster Care System she meets and falls in love with a nineteen year old man named Griffin, who is four and a half years her senior. He loves young Koi in his own twisted way but makes no secret of his wifey, an older more sophisticated hood chick who bumps heads with Koi a lot. Koi takes it all in stride however and turns to boosting clothes as a way to help contribute to the household income and engages in frisky behavior with a young thug by the name of Fuquan. However, young Koi starts on a spiral of her own along with her fifteen year old best friend Shatease who already have a two year old child and a mother whose crack demons are just as strong as Koi s mom. This Saga will have you place your own daughters under house arrest, peeking in their rooms at night and following them in the morning to school to ensure they are not cutting up in the streets, chasing boys and sexually active. It s a shame...
