## Banana Cultures: Agriculture, Consumption, and Environmental Change in Honduras and the United States (annotated edition)

---

By John Soluri

University of Texas Press. Paperback. Book Condition: new. BRAND NEW, Banana Cultures: Agriculture, Consumption, and Environmental Change in Honduras and the United States (annotated edition), John Soluri, Bananas, the most frequently consumed fresh fruit in the United States, have been linked to Miss Chiquita and Carmen Miranda, "banana republics," and Banana Republic clothing stores - everything from exotic kitsch, to Third World dictatorships, to middle-class fashion. But how did the rise in banana consumption in the United States affect the banana-growing regions of Central America? In this lively, interdisciplinary study, John Soluri integrates agro-ecology, anthropology, political economy, and history to trace the symbiotic growth of the export banana industry in Honduras and the consumer mass market in the United States. Beginning in the 1870s when bananas first appeared in the U.S. marketplace, Soluri examines the tensions between the small-scale growers, who dominated the trade in the early years, and the shippers. He then shows how rising demand led to changes in production that resulted in the formation of major agribusinesses, spawned international migrations, and transformed great swaths of the Honduran environment into monocultures susceptible to plant disease epidemics that in turn changed Central American livelihoods. Soluri also looks at labour...

### Reviews

*Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Dr. Catherine Wehner

*Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.*
