Little, Brown & Company. Paperback. Book Condition: new. BRAND NEW, Accidentally.Over?, Mimi Jean Pamfiloff, When it comes to Maax, the God of Truth who refuses to follow the rules, there's more to him than meets the eye. Literally. Because Maax is invisible! Which is probably why, after seventy-thousand years he's still unable to find a mate. Ashli Rosewood was never meant to die. In fact, her death might be the very reason the gods are now faced with stopping that pesky doomsday. If only there was a way to undo the past. Cue Maax. Seven feet of divine masculinity and the unruly god charged with saving Ashli. With a little help from an ancient Mayan tablet, Maax will travel back in time and set things right. Easy right? Wrong. Because Maax has one small challenge. He's invisible. And every time this impatient, powerful deity gets anywhere near Ashli, he spookes her right into harm's way. Meaning she dies, and he has to start all over again. Cliff, banana peel, runaway storage container filled with Belgian chocolates, bee sting, the list goes on. It seems that the universe has it out for this girl. But why? And what will Maax do when he begins to suspect that not only is Ashli the key to stopping the apocalypse, but she may be 'the one' he's been waiting seventy-thousand years for. How will he save the one woman the Universe insists on killing and who wants nothing to do with him?.
