Inner Directions Publishing. Paperback. Book Condition: new. BRAND NEW, The Myth of Enlightenment: Seeing Through the Illusion of Separation, Karl Renz, Whether you meet Karl Renz in person or through this book, the encounter will leave you with a radically different sense of yourself. Karl's unique ability lies in exposing the beliefs we've built our lives on, beginning with our root sense of individuality. Our current predicament is the result of believing ourselves to be something other than what we really are. This self-imposed limitation causes our incessant searching and suffering. Throughout these dialogues Karl unceasingly brings us back to the truth of our real nature by helping us recognise the fleeting and impermanent nature of the self we've come to believe in. Even momentarily seeing the truth of who we really are immediately frees us, if only temporarily, from these self-imposed limitations. Karl's purpose-if we can say he even has one-is to reflect our own divinity, which he skilfully and uncompromisingly expresses throughout the pages of the book. By realising the implication of his words, we can live life to its fullest and experience the boundless freedom that is our essence.
