As a baby, Callie was left on the doorstep of an isolated farmhouse in Tennessee. The Whitaker family took her in, but have always considered her more a servant than a daughter. Scorned by her two stepsisters, Callie is forced to work long hours and denied an education. But a new world opens to her when the Whitakers join a wagon train to California-guided by rugged Indian, Luke McGraw. A loner, haunted by a painful past, Luke plans to return to the wilderness once his work is done. But he can't help noticing how poorly Callie is treated-or how unaware she is of her beauty and intelligence. As the two become closer over the long trek west, Callie's confidence grows. And when disaster strikes, Callie emerges as the strong one-and the woman Luke may find the courage to love at last.
