## SOME FORERUNNERS OF ITALIAN OPERA

Read Books, United Kingdom, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.PREFACE: The purpose of this volume is to offer to the English reader a short study of the lyrical drama in Italy prior to the birth of Opera, and to note in its history the growth of the artistic elements and influences which finally led the Florentine reformers to resort to the ancient drama in their search for a simplified medium of expression. Many of the earliest books, particularly those dating back to the 1900 s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
