## MURDER GAMES

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Nigel Upchurch sank a 35 foot putt on the 18th hole at the Golden Bear Golf Club to win the club championship by one stroke. As the ball dropped into the cup, the famous mystery writer suffered a massive heart attack and died. The sheriff s office and his doctor agreed that he died of natural causes. His widow, Lucy Upchurch, doesn t think so. She hires Sam Barlow, an out-of-work private investigator, to prove that her husband was murdered. Barlow thinks she s crazy, but he is broke. Mrs. Upchurch identifies several people on Hilton Head Island who would want her husband out of the way. Barlow soon finds himself deeply immersed in the seamy side of island real-estate and development. The small amount of land left on the island for development is putting pressure on land owners to sell and/or develop. Some are not interested in selling land held by their families since the Civil War. Barlow s digging into Upchurch s past takes him to Beaufort and a visit with the mystery sisters. Here a different portrait of the famous author is painted and Barlow realizes his client is far from crazy. She is right, her husband was murdered. More murders follow and Barlow finds himself in a deadly game that opens up the island s dark side and threatens to link him to the murders.
