Tate. 1 Flexi-binding(s), 2012. soft. Book Condition: New. Associated at times with the Constructivists and the Bauhaus school, Russian-born Naum Gabo (1890-1977) nonetheless blazed a highly original trail, creating some of the 20th century's most distinctive and inspiring sculptures. As this book's 142 color and black and white photographs demonstrate, Gabo's work crafted of such materials as wood, fishing line, and Perspex became increasingly abstract and architectural as he sought ever more rigorous ways of representing mass, volume, and space. The book features a biography of Gabo, while the images include photos of the artist and his best known works, as well as some of his sketches. 207.
