Partridge Publishing (Authorsolutions). Hardcover. Book Condition: New. Hardcover. 206 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. This is a book on empowerment for planning personal finance, especially for Indian middle class with a stress on the investors from North East. Nobody can live decently without making provisions for food, shelter, and cloth. For human beings to provide for above provisions, wealth creation is necessary. Even monks need money for sustenance. The great prophet like Swami Vivekananda once said that no proper worship would be possible with empty stomach. People nowadays enjoy a much longer life than before. This necessitated the emergence of Personal Finance for security of family members, for continued better health, and for better livelihood. This book attempts to make our young citizens much more investment savvy. It is not an effort for spoon-feeding. The book would ultimately inspire one to be a millionaire. This is not just a copy book or handbook of notes that would make investors millionaire automatically. The essays of the book would only empower the mind and inspire one to take his/her own decisions honestly and truthfully. Most of the articles of the book were written from 2008 till 2012. Though economic conditions of the country have vastly changed, the principle of investing has remained unchanged. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
