

Chutzpah!: New Voices from China

Filesize: 7.11 MB

Reviews

Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion.

University of Oklahoma Press, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. To Westerners China has often seemed a monolith, speaking with one voice whether that of an ancient dynasty, a socialist state, or an economic powerhouse. Chutzpah! New Voices from China shatters this illusion, giving Western readers a rare chance to listen to the brilliant polyphony of Chinese fiction today. Here, in the realms of realism and fantasy, and portraying worlds lyrical, gritty, or wildly avant-garde, sixteen selections three of which are nonfiction by up-and-coming Chinese writers take readers from the suburbs of Nanjing to the mountains of Xinjiang Province, from London s Chinatown to a universe seemingly sprung from a video game. In these stories one may encounter a sweet, lonely fabric store owner or a lesbian housecleaner, a posse of shit-talking vo-tech students or a human hive-mind. A jeep-driving swordsman girds himself for battle by reading Borges and Nabokov. A Beijing-raised Kazakh boy hunts for his lost heritage. A teenager plots revenge on the bureaucrat responsible for demolishing his home. A starving child falls in love with a water spirit. These stories, collected by Ou Ning and Austin Woerner, and offered in English by leading translators of Chinese, travel the breadth and depth of China s remarkable literary landscape. Drawn from the pages of Chutzpah!, one of China s most innovative literary magazines, this anthology bids farewell to the tired tropes of moonlight and peach blossoms, goodbye to the constraints of socialist realism. In their place it introduces us to the imaginative power, boundless creativity, and kaleidoscopic diversity of a new generation of Chinese fiction.
