WestBow Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Although this book was painful to write, having to dredge up the garbage from my early life, I forged on, seeing that there are far too many suffering abuse or the lasting effects of it, such as hurts, inward and outward, scars, bitterness, anger, and even hate. Some of these are misplaced. Instead of it coming out toward the source of their abuse, it is usually directed toward the ones who try to help or by uncontrolled fits of anger on otherwise insignificant matters. Even if there was only one suffering, that is one too many! I also seek to reach the abuser in this book. I do understand that there are just as many factors that have caused or are driving others to do such hideous things as there are the abused. Maybe you didn't mean to or you felt power when you did these things, but no matter, God can and will forgive you! I believe this book would be a much-needed asset to any church, school, library, and home; it is meant to give hope and direction to the hurting, to help the one who finds themselves in a no-win situation because of their actions, and finally to heighten awareness in our families, communities, and in our churches that abuse is real, has many faces, and is standing right in our way. Making people aware will bring about a positive change and, with God, we can stop this life-altering crime!.
