I Can See in the Dark

By Fossum, Karin.

Houghton Mifflin. 1 Cloth(s), 2013. hard. Book Condition: New. Riktor doesn't like the way the policeman storms into his home without even knocking, nor the arrogant way he assesses its contents, in this stand-alone thriller from Glass Key, Gumshoe Award, and Los Angeles Times Book Prize winner Karin Fossum, creator of the Inspector Sejer series. The policeman doesn't bother to explain why he's there, and Riktor is too afraid to ask. He knows he's guilty of a terrible crime and he's sure the policeman has found him out. But when the policeman finally does confront him, Riktor freezes; the man is arresting him for a crime he certainly didn't commit. Can he clear his name without further incriminating himself?"In the tradition of Patricia Highsmith and Ian Banks, Fossum creates a creepily realistic sociopath, rolling his story out in a spare Scandinavian style that lends the book a classic horror feel. It's not light reading to climb inside of a sociopath's brain, but readers who can handle the darkest tales will be rewarded by Fossum's streamlined, thoughtfully constructed story."Booklist 210.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- **Beverly Hoppe**

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my I and dad suggested this ebook to discover.
