Dundurn Group Ltd. Paperback. Book Condition: new. BRAND NEW, Script Tease: A Wordsmith's Waxings on Life and Writing, Eric Nicol, Why write in the first place, other than your grocery list? Eric Nicol believes it's the second-most satisfying thing you can do lying down. But it's not enough to want to write. You must 'need' to write. Now, after over seventy years of scribbling - he wrote for the school newspaper at Lord Byng High School in Vancouver, British Columbia - Eric holds forth on dangling participles, punctuation, and literary jargon. What's more, he answers the burning question: How much should creative writers depend on editors to correct their grammar? Then Eric provides a wide selection of essays to demonstrate how it's done. These include a dramatic demonstration of the chutzpah of a big Tom wild turkey and its harem on a BC Gulf Island, the discovery that Eric's one-way-view window in the bathroom has been installed incorrectly, the trials and tribulations of computers and the creative process, and a riposte to the query, 'Are nipples really necessary on guys'? This title is pure Nicol, minted in Canada, and priceless.
