Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

MACHINE

[DOWNLOAD](#)

Apex Publications, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Celia s body is not her own, but even her conscious mind can barely tell the difference. Living on the cutting edge of biomechanical science was supposed to allow her to lead a normal life in a near-perfect copy of her physical self while awaiting a cure for a rare and deadly genetic disorder. But a bioandroid isn t a real person. Not according to the protesters outside Celia s house, her coworkers, or even her wife. Not according to her own evolving view of herself. As she begins to strip away the human affectations and inhibitions programmed into her new body, the chasm between the warm pains of flesh-and-blood life and the chilly comfort of the machine begins to deepen. Love, passion, reality, and memory war within Celia s body until she must decide whether to betray old friends or new ones in the choice between human and machine. *Don t forget to check out Jennifer s short fiction collection Unwelcome Bodies also from Apex Publications! The novel is unrelenting, driven by Pelland s unflinching eye and her absolute willingness to shatter her very vulnerable, not very emotionally resilient protagonist. It s a powerful novel, certain to emerge as one of the best of the year. I ll be remembering it next award season. Adam-Troy Castro, SCI FI Magazine I m not sure anyone else could take material like posthuman politics, kinky sex and body modification, and explicit metaphors for the abortion debate and euthanasia, and turn it all into a heartrending love story, but Jennifer Pelland nails the dismount every time. NK Jemesin, Hugo-nominated author of The Hundred Thousand Kingdoms Jennifer Pelland s MACHINE is...
