Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Samurai Trails: A Chronicle of Wanderings on the Japanese High Road It was spring and it was Spain. Sunset brought the white-haired custodian of the Court of the Lions to the balcony overhanging my fountain. His blue coat bespoke officialdom but his Andalusian lisp veiled this suggestion of compulsion. His wishes for my evening s happiness, nevertheless, were to be interpreted as a request for my going. The Alhambra had to be locked up for the night. I was lying outstretched on the stones of Lindaroxa s Court with my head against a pillar. The last light of the April sun had scaled the walls and was losing itself among the top-most bobbing oranges of Lindaroxa s tree. To dream there must be to have one s dreams come true, some inheritance from Moorish alchemy. Despite the setting, I was dreaming nothing of the Alhambra, not even of Lindaroxa. I was thinking of a friend of irresponsible imagination but of otherwise responsibility. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
