Brent was very angry when he found out his friend was pining after a woman who was heartless enough to lead him on, build up his hopes, and then walked out on him, with-out so much as a good bye. He was out for revenge. He vowed to teach that woman a lesson, by seducing her, and then he in turn would walk out on her, as she had done to his friend. Unfortunately, The best laid schemes of mice and men, oft awry, because after setting up an elaborate plan to meet Shannon and teach her a lesson, Brent had gotten caught in his own net, and no matter how hard he fought it, he just became more entangled in the game of love.
