

Fathomed

By Imani Hicks

Tate Publishing Enterprises, United States, 2015. Paperback.
Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In the beautiful jigsaw puzzle we call life, there are single moments we stumble upon. Single moments of clarity. Single moments we fathom. Imani Hicks discusses topics that don't receive the attention they deserve. In *Fathomed: My Life Inspired by Real Events*, she touches on controversial topics within society while capturing the adolescent experience. Her words illustrate the hope, dreams, love, peer pressure, heartache, guilt, insecurities, and many other challenges adolescents encounter. Imani Hicks understands the difficulty that comes with being in the stage wherein you're no longer a kid but you're also not yet an adult. When you crave independence, but you feel so restricted by your age, rules, parents, or society. The young author offers her life as a coping mechanism for her fellow youth. This book holds advice, life lessons, pain, joy, and a multitude of different experiences. She hopes her audience can empathize with her poems, short stories, and essays.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
