Visit us online at - - Happy Jack Squirrel sat on the tip of one of the highest branches of a big hickory tree. Happy Jack was up very early that morning. In fact, jolly, round, red Mr. Sun was still in his bed behind the Purple Hills when Happy Jack hopped briskly out of bed. He washed himself thoroughly and was ready for business by the time Mr. Sun began his climb up in the blue, blue sky. You see, Happy Jack had found that big hickory tree just loaded with nuts all ripe and ready to gather. He was quite sure that no one else had found that special tree, and he wanted to get all the nuts before any one else found out about them. So he was all ready and off he raced to the big tree just as soon as it was light enough to see.
