Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

LIFE WITHOUT PAROLE: LIVING AND DYING IN PRISON TODAY

Oxford University Press, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Four editions of Victor Hassine's book have earned a place as esteemed contributions to academia, and as reliable teaching tools in prison courses. The revamped posthumous version of the book provides us with a stirring memoir and a vivid memorial to a troubled but admirable life. Hassine's account is redolent with surprising insights and poignant observations, and with occasional touches of humor. It is also a blow-by-blow narrative of a gifted man's effort to transcend life in confinement."--Hans Toch, University at Albany, State University of New York "For over a decade now, I have considered Hassine's text *Life Without Parole* to be an essential one in my teaching on corrections and the realities and challenges of this world. The life and death of Victor Hassine epitomizes the full cycle of humanity in our society--with its conflicting message at times of hope and tragedy--and touches upon the themes of justice, race, power, and redemption that are central to our criminal justice system. Hassine's words bring to life the people who work and live behind the walls of a maximum-security prison while simultaneously bringing into the light of day controversial topics for critical discussion in the classroom. Coupled with the thoughtful commentary and background offered by editors Robert Johnson and Sonia Tabriz, this text is a valuable tool that raises the level of discourse of any course related to corrections or public policy."--Denise Paquette Boots, University of Texas at Dallas "Life Without Parole may be the most authentic prison book ever penned in the English language. This new edition, artfully recast by Johnson and Tabriz, is written in the blood of all the men and women who live in prison cages buried at the end of the world. This...
