U. T. Farmer, Vol. 1 (Classic Reprint)

By University of Tennessee Agricultu Club

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from U. T. Farmer, Vol. 1 Without reason the subject of Biology has sometimes been announced as applying especially to a discussion of lower forms of plant and animal life. This is an unfortunate interpretation of the term, as the spirit of biological investigation is expansion and knows no limit until all of the problems associated with the life of all plants and animals have been solved. Biology has long been of the keenest interest to that small coterie of investigators in pure science who seek knowledge for its own sake without regard to its application. In many cases the facts discovered have been practically applied, as is instanced in the recent modification and consequent strengthening of national and state quarantines relative to Teaxs and yellow fevers. Within recent years the medical, dental, veterinary medical, and other professions have required more advanced courses in Biology before granting graduation certificates or degrees. If this be true of special professions, having to do with the organization of parts or individual species of animals, how much more important should the...
