Throughout the years (especially as of late), there is one genre that is rising in popularity with many people- ZOMBIES! I, Spencer McAllister, love the zombie genre. To some, it may sound dull; but to me, it is exhilarating. There are so many things I could have done with this book. I could have gone the typical route of one man fighting by himself. I could have made the enemy supernatural. There are countless things I could have done, but I decided to go the more traditional route. The zombies are not all-powerful. I was finally done with my journey through high school. However, I didn t want to go to college. I never really wanted a day to day job. I did have a plan, but I wasn t doing anything for a while. Then one day, I decided to write a realistic zombie book. Originally, I was going to go for more of a guide like Maxwell Brooks did. but I decided not to. Then I decided to make a story. However, one day It donned on me- I ll be the main character. I figured I knew enough about the zombie genre as well as guns(I have been shooting since I was about 3). Although the book didnt take me very long to write(only about 2 months), I believe It is a well-written book. Along the way of writing It, my father gave me many ideas. Originally, I...
